PREVIOUS CANDIDATE TESTIMONIAL

"It was really interesting to gain an insight on how job searching works and what employers are looking for. I came here with an idea of what I wanted to learn and got everything I wanted out of the course. It's been fantastic! Over the course of 2 weeks, I've gone from feeling unsure and the thought of having to get up and do it every day was a bit worrying, but I soon started to enjoy it. The way the course runs is fantastic."
